

## LISTEN TO FORMER STUDENTS

"One year ago I started the 4 Month Film Course. I had no idea how to make my first film. In that time I have produced, written and directed and acted in my own 15 minute film. I have crewed on numerous other films and today I am launching my own Production Company. This all happened as a direct result of the 4 Month Film course." - **Pegah Ghaemi**

"A fantastic, informative, practical and thoroughly enjoyable course for anyone wanting to make their film look like a million bucks. You learn Film-Making by actually making a film on the 4 Month Film course." - **Michael Walker**

"To put it bluntly, this course is an inspiration. I still can't believe how much this course covers. I'm still bouncing off the walls with excitement. The 4 Month Film course can make dreams come true." - **Probir Dutt, Rok Starr Films**

"A Wonderful Opportunity. This marvelous course has redefined my direction and fast-tracked my dreams of writing and directing and making Films." - **Honour Leigh**

"I had absolutely no idea of the process of film-making and Colm and Sydney Film Base have inspired me to believe I can pursue film-making further. A brilliant, practical course." - **Michelle Papast**

## The Film Director/ Producer Lifestyle

I guarantee that this is the  
quickest way to the above  
lifestyle

My name is Colm O'Murchu and I am the owner of the Independent Film Centre at Sydney Film Base. We created Sydney Film Base in 1997 and since then we have been involved with hundreds of films either via our film school or professionally for the cinema and TV.

The Film Maker's Lifestyle has variety. You are always working on different film projects and going to interesting film festivals and locations overseas. When you are a Film Producer and/or Director, expect the following:

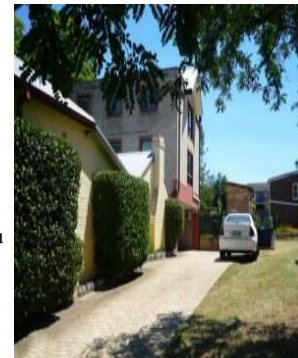

- **Getting paid to do what you love**
- **Travel: A Film Maker travels all over the world**
- **Working on passion projects that you love heart and soul**
- **Meeting fascinating interesting people all over the world**

The point is that for you to get to this lifestyle, you need to start to make films now.

**To make the dream a reality, enrol on our 4 Month Film Course at the Independent Film Centre in Parramatta.**
